# AJALA OLUWAFIKAYO VICTOR

Web Developer | Data Analyst | Graphics Designer | Visual Artist

**in** Fikayo Ajala

## SUMMARY

With 3 years of Experience in web development, I have sharpened my skills in JavaScript, PHP, MySQL, python giving me a foothold in learning new web technologies. My biggest achievement is creating a portfolio for myself

## STRENGTHS

❖ Team Collaboration

Peer Leader of a machine learning group of 3 members. Making sure we carry each other along and no one's left behind

❖ Adaptability

Transitioned from PHP to python in 2 months so as to enroll in machine learning

❖ Problem solving

Once debugged a website to find hidden vulnerabilities which I reported on discovery so as prevent exploitation by hackers

## EDUCATION

Bachelor's in Computer Science          2023 – till date
University of Ilorin

Senior Secondary School Certificate       2017 - 2020
Leaders' Path Royal College
